

[29/04/01 Adelaide Marches under the FESR Banner for the first time - ANZAC DAY 2001](#)

A word from Trevor Geyer: Just a few lines to let you know that we were extremely pleased with our effort here in Adelaide on Anzac Day, marching for the first time under our own Banner - described by the channel 7 commentators as 'spectacular'. Perhaps a little exaggerated but we were pretty chuffed any way. Managed to muster around 40 for the march led by the 'Living Legend' and immediate past State Vice President, Bill [The Legend] Jarman, with Don Hay our incoming State Vice President and our 'Reunion 2003' Organising Committee following hot on his heels. Bill (for the record and reason known only to Bill), has four distinct steps: slow; fast; foxtrot; and his own gait. Amazingly we all followed in unison. Overall it was a good effort. It was absolutely great to see so many South Aussie FESR members marching this year including a number of new members, potential members and interstate visitors.

Well done Adelaide
