Re: Review into Service Entitlement Anomalies in South East Asia Service 1955-1975

Dear Minister,

With the public hearings now complete, we wish to convey our complete satisfaction with the form and conduct of the Review. That is not to say that we give our unequivocal support to the recommendations that may come as a result.

We thank you for setting up this Review, and for your choice of General Mohr and Admiral Kennedy to conduct same. The secretariat, of Commander Tim Bloomfield, Mr. Cec White, Ms Jan Cole etc., have made contributors feel at ease by their helpful, professional and courteous manner.

We look forward to the recommendations of the Review, and the Governments action in relation to those recommendations.

Yours sincerely,

Noel Payne
National President
